## IT'S THRILL TIME CHAMPIONSHIP

**"Double Figure 8  
 Races"**

RAIN or SHINE A JM PRODUCTION

JM Motorsport Productions developed this form of action racing by using compact cars to enhance excitement for both drivers and spectators. Utilizing smaller, lightweight cars takes on all the excitement of a full-sized Figure 8. Speeds average between 5 and 15 miles an hour and only 5 to 8 cars are allowed at a time. Unlike the traditional brute-force demo, in this event it is your ability to **out-think** and **out-manuever** the other driver that makes you the **WINNER!** Because of its challenge, drivers all over are switching to **FIGURE 8 RACING.** With strict guidelines/rules and the help of the drivers, we have made this race fun and fair for all.
