RAIN or SHINE A JM PRODUCTION

JM Motorsport Productions developed this form of action racing by using compact cars to enhance excitement for both drivers and spectators. Utilizing smaller, lightweight cars takes on all the excitement of a full-sized Figure “8” without likely danger to the drivers. Speeds average between 5 and 15 miles an hour and only 5 to 8 cars are allowed at a time. Unlike the traditional brute-force demo, in this event it is your ability to out-think and out-maneuver the other driver that makes you the WINNER! Because of its challenge, drivers all over are switching to FIGURE 8 RACING. With strict guidelines/rules and the help of the drivers, we have made this race fun and fair for all!

PROGRAM OF EVENTS

DOUBLE FIGURE 8 QUALIFYING EVENTS #1-

#8: In each of these events, the “Winner” (first car to cross the finish line after a pre-determined number of laps), will receive a Trophy, \$50, and will qualify to run in Championship Event #9.

DOUBLE FIGURE 8 CHAMPIONSHIP EVENT #9:

Open to the 8 drivers and their cars who qualified in events #1 through #8. The “Winner” will receive the Championship Trophy and \$1000. Second place will receive a Trophy and \$300.

DEMOLITION DERBY CHAMPIONSHIP EVENT

#10: Open to all drivers and their Figure 8 cars who competed in events #1 through #8. The “Winner,” (last car running) will receive \$800 and the Championship Trophy.
